

## **KENNETT HIGH SCHOOL WINTER SPORTS REGISTRATION: OPEN OCTOBER 22nd - NOVEMBER 2nd!**

The athletic department will utilize FamilyID for our online registration system for the 2018-2019 winter sports season. This is a true online system, there will be no papers to print and turn in. The only paper that may be needed would be a current, sports physical, as these must be updated upon entering KHS and every two years after that. Physicals should be turned in to the Athletic Director, Neal Weaver.

***Important*** - online registration must be completed by a parent or guardian. There are two sections where students are expected to electronically sign as well, but the majority of the registration must be filled out and approved by the student's parent or guardian. Failure to properly register will postpone a student's eligibility and ability to participate.

### **ONLINE ATHLETIC REGISTRATION INSTRUCTIONS**
