

Important Information for the Day of Graduation

Please Read!

Graduation day is quickly approaching and we are very excited for students to load the buses for their Project Graduation adventure!

We expect the buses to return to school at 8:00 am on Sunday, June 16th. **Due to extreme fatigue, students will not be allowed to drive home that morning.** Please indicate who will be picking your child up on Sunday morning on the Student Contract. Students are expected to be dropped off Saturday June 15th no later than 4:00 pm and picked up on Sunday, June 16th at 8:00 am.

The average amount of time students will be on the bus is 2-2.5 hours, less between venues. Participants will have available to them at all times: water, crackers, fruit, hard candies, granola bars etc. There will be plenty of food available throughout the entire trip. We will also have toiletries, body wipes and paper towels to freshen up. Any items not on the list below will be confiscated and students will either be asked to take them home after graduation, or the items will be disposed of.

Please bring your bag, (include any medication (s) needed – in original container) to the Project Graduation check in tables in the cafeteria PRIOR to Graduation – remember Project Graduation is a chem-free night and volunteer parents will label and go through all bags when they check in at the cafeteria (all medications will be given to the school nurse for her to administer). The bags and medications will stay locked up at the school until they are loaded onto the buses.

Participants should be at Kennett High School no later than 4:00 pm on June 15th. Buses will load immediately and will need to leave on time in order to stay on schedule.

To Bring and Not to Bring:

<u>Allowed</u>	<u>NOT ALLOWED</u>
