

Kennett High School

Principal's Report
April 13, 2015

Priorities

1. The 8th grade transition night was a huge success with a standing room only crowd in the auditorium for this exciting event. There was tremendous excitement and a bit of nervous apprehension from our newest Eagles as the class of 2019 assembled at Kennett for the first time.

Identified Improvement Targets in Progress

1. Thursday April 9th, the Social Studies Department Civics teachers hosted an election awareness assembly for seniors. School Board Member John Skelton invited members of various local government bodies to speak to our students about their roles in local government. Also at this assembly 18 year old Conway students had the opportunity to register to vote so that they will be able to vote in next Tuesday's election.

Staff and Student Accomplishments

1. Thirty Four Kennett seniors were honored with the NHIAA Scholastic Athlete awards in Concord March 16th. Students were Benjamin Zimmer Pearse Benson Park Cawley Bowdin Yalenezian Tanner Wheeler Kevin Brogan Lisa Carper Donovan Spaulding Malcolm Badger Emily Davis Alexis Sanborn Rachelle Cormier Shane Couture Thomas Chant Gavin Yahna Travis Normandin Cassandra Doucet Ashley Lamar Spencer Duchesne Gwynneth McGinley Nicholas Sherwood Hunter Bousquet Mae Van Rossum Silas Hill Robert Davis Daniel Nash Robby Moody Taylor Mathieu Courtney O'Keefe Brooke Lemerise Abram Giles Lillian Brennan, Leah Keleman, Erin Milford,
2. The Key Club Trip to the State Capitol was a total success yesterday. Our gracious hosts included Reps Chandler, Buco, Butler, Umberger, and McCarthy. The KHS students met with Governor Hassan, Speaker Jasper, and many other state reps, and of course received their recognition proclamations from the Governor and the Speaker. Also included was a visit to a session of the State Legislature, where the students heard their school, their club, and themselves all recognized as guests, with each of their individual names called out during the session....a nice touch. The Key Clubbers presented honorary Key Club membership certificates to Rep Gene Chandler and Ms. Sandy Guinan of the Speaker's Office in recognition of their efforts in making the visit possible.
3. The Spanish honor Society is working to get the green house rolling once again. They are growing veggies for Mineral spring nursing home with the help of home depot. We are hoping that there will also be veggies for our mineral spring restaurant. The green house is being used and is full of beautiful garden plants.

4. Benjamin Zimmer has been named the valedictorian and Pierce Benson has been named the salutatorian for the class of 2015. Congratulations are in order for these two fine representatives of our senior class.

Ben Zimmer
