

The Internet Crimes Against Children Task Force  
Present

## SOCIAL MEDIA: A Predators Playground

**PRESENTATION DESCRIPTION:** Learn about the dangers that face teens every day. In doing so, we'll discuss how computers, cell phones, iPads, digital cameras, gaming systems, social networking applications, and internet blogs all play a role in placing students and families at risk. This 1.5 hour presentation is specifically geared towards parents, educators and community leaders who are looking to better understand the technology available to teens today and the way in which child predators use it to exploit them.
