Self Study Survey Instructions

PARENTS

Dear Parent,

Your son or daughter's school is beginning a yearlong self-study process. The purpose of this process is to help your school determine its strengths and areas for improvement.

Please take a moment to fill out the following parent survey. Your principal and teachers are very interested in what you think of your son or daughter's school. Your responses will be recorded anonymously. The demographic section of the survey is strictly confidential. This demographic information will be used only in aggregate form, and only for purposes of research and education.

Please go to the website www.endicottresearchcenter.net

On that page you will see

A screenshot of a survey access form. It has a light blue background. At the top, it says 'HERE TO TAKE A SURVEY?'. Below that, it says 'ENTER YOUR SURVEY CODE HERE:' followed by a text input field containing 'Access code' and a green button with 'GO!' written on it.

Enter the following survey code: **P2W20113** and click GO.

Follow the instructions. Every statement on the survey must be responded to in order for your answers to be recorded. Skipped statements will be presented again until they are responded to. When you reach the last screen, click SUBMIT.

Thank you for your help with this important work.
