

Yearbook 2018

Senior Information:

Please submit your contact information with your senior photo, bio & baby photo submissions by November 30TH via email to l_eastwood@sau9.org or leave printed copies in the main office yearbook box. (I suggest you make a CVS/Walmart “store copy” and keep originals) Communication is vital to make sure that everything you submit is received! There will be a check list after winter break so you can ensure you have what you want in the yearbook- you must contact me if there are issues or concerns so that we can correct them .Please label your photos with your name as the digital file name so I can correctly identify you when emailing them to me and save them as the correct person. If sending prints, please pencil lightly the student name.

**** All photo files emailed must be JPEG (PHOTO) file- Do Not Save AS PDF.You can simply attach the photo or insert in your email. Please don't use other programs or word documents.**

(file name – ex. lisaeastwoodseniorphoto then save as jpeg format.

Photographers should set cameras on a high resolution- avoid cropping the photos- unless it is a special effect most photos will be centered, so indicate any special needs in your email with your photo, but do not crop or cut the photos- it makes the resolution too small and your photo will be little.

If you need a photo returned please enclose a self addressed envelope with the photo. Again, I caution you to make a quick print of your original at CVS/ Walmart- especially precious baby photos!

Bio Information: (Approximately 400 characters for your info- we will do our best to make it fit) We will edit inappropriate content. Please EMAIL your typed bio so that we can copy and paste your submission into the book with less chance of error. Bio/Quotes must be typed by you for accuracy. We encourage you to write something in your bio space- you can submit a favorite poem or favorite quote to put there. There is a lot of white space in the book under photos to fill. Thank-you for all your help with the Yearbook 2018 process!!!!

Biography Categories:

Name: Nickname: Memories: Special Thanks: Favorite Staff: Activities/ Clubs: Goals: Quote (include author if known) You can look at past yearbooks in the KHS library.
