RE: Scheduled Remote Learning Days

Dear Kennett High School Families,

Kennett High School, along with the other schools in the Conway School District will be participating in scheduled remote learning days. These days are scheduled to provide staff with the time needed to meet with parents and engage in professional learning that would typically take place during the school day. With our safety protocols relative to COVID-19, we have lost much flexibility in ensuring that staff have the time they need to collaborate in professional learning and development necessary to maintain our high quality systems of assessment, instruction and learning environments. With the change in conditions relative to COVID-19 now, more than ever, we need to make sure that we are utilizing the best practices necessary to educate our students so that they are ready to thrive when they leave Kennett High School.

Please mark your calendar with the following scheduled Remote Learning Days:

November 20, 2020; December 18, 2020; January 15, 2021; February 12, 2021; March 12, 2021; April 16, 2021; May 14, 2021

Attendance and Expectations

- All students are expected to attend all 4 remote classes. (See schedule below)
- All students are required to access their classes through their school issued Chromebook or other internet-ready device that has been tested for connectivity to their school Google account.
- Attendance will be taken for each class block.
- Google Classroom will be the central hub of information related to student instruction on remote days, and the appropriate links to Google Meets (or other video conferencing platform) will be shared there along with student work for the day. All classes will have a live in-person check-in.
- Blocks are 30 minutes long, but the amount of work may be greater than 30 minutes per class.

Daily Schedule

Block 1	-	9:00 a.m. - 9:30 a.m.
Block 2	-	9:30 a.m. - 10:00 a.m.
Block 3	-	10:00 a.m. - 10:30 a.m.
Block 4	-	10:30 a.m. - 11:00 a.m.

Sincerely,

Kevin Carpenter
