# Kennett High School Profile

## School and Community Data

Kennett is a public high school located in the Mt. Washington Valley resort community of North Conway, New Hampshire with a year round population of over 10,000 which swells to 25,000 during peak summer and winter vacation periods. The high school draws its student population from eight communities covering over 1,000 square miles. The major industries in the valley are in the hospitality field. The area is almost entirely residential with students coming from an extremely wide socio-economic background.

Kennett High School is accredited by the New England Association of Schools and Colleges and by the New Hampshire Department of Education. In 2009, Kennett High School was honored as the High School of Excellence for the state of New Hampshire winning the "ED"ies Award for excellence in Education. The current enrollment in the high school is 817 students in the day school and 31 full time students in the Eagle Academy adult education night school. In 2007, Kennett High School moved into a new building.

## Curriculum Information

Kennett High School has a broad range of course offerings in core content areas, as well as, a wide range of elective classes. Courses are available in English, Math, Science, Social Studies, Spanish, French, German, visual and performing arts, health, and physical education. Students in all grades are expected to explore career and technical classes in the state of the art Mount Washington Valley Career and Technical Center. Course offerings include; Automotive Technology, Teacher Education, Culinary Arts, Graphic Arts/ Multimedia, Health Science Technology, Marketing, Machine Tool Technology, Building Trades and Agriculture, Business/ Accounting, and Pre-Engineering/ Drafting, Computer Science and Robotics, and Hospitality & Tourism Management.

The school year consists of two semesters, divided into four quarters. Classes meet in a 4x4 alternating 80 minute block format. We also include a 25 minute reading break for all staff and students for four of the five days of the week. All students are required to enroll in six courses and encouraged to enroll in seven. Students earn a 1/2 credit for a semester class, 1 credit for a year long class, and 2 credits for a year long class that meets everyday. We offer a wide range of clubs, activities, and sports that are open to all students after school hours.

## Course Levels

Courses at Kennett High School are designated as Advanced, College Prep, or General. An advanced level course is either an Advanced Placement course, a Running Start course or a course that will prepare students for Advanced Placement coursework. College prep courses require a high level of achievement, and it is recommended that students planning to attend colleges or vocational schools select most of their courses at the college prep level. AP, Advanced, and College Prep courses are weighted. A general level course is a course in which additional time and support is provided for students to achieve academic standards outlined in our school mission statement.
